

Heartland Christian Center
Word of the LORD for September and October
Pastor John D'Alesio

Let me start by saying I pray that you all are doing well & walking in the fullness of the blessings of the gospel. Let me encourage you by saying, I believe you are entering into a new season in your life. I pray for you that the rest of this year is the best of this year, and may the rest of your life be the best of your life. We just posted on our website a program entitled "*Here we grow again part 1 & anointing part 1*". We had a special guest with us on the broadcast Dr. Larry Stutzman from Solid Rock. He had a special word from the Lord concerning the month of September & October. I want to encourage you to forward this to as many as you can so that they can get in on the blessing too.

On another note believing to see many of you at our upcoming ministry buffet Saturday September 11th. We have some powerful insights from the Lord that we will be sharing at the service. We will start serving food at 5pm at our Umatilla FL location (751 S Central Ave US Hwy 19) so please RSVP.

Sunday September 12th at 2pm I will be ministering at our Cocoa FL location in which we are currently meeting at the Econo Lodge (US 1 at the intersection of 528 the beachline)

Thursday September 16th 7pm Holiday Inn Express in Daytona Beach (US 92 & I-95)

Thursday September 23rd 7pm my pastor Dr. Roy & Pauline Harthern will be ministering with us in Orange City FL at the Holiday Inn Express (Exit 111B off I-4)

Thank you for your prayers and support, keep it coming. Remember it is crucial for you to keep supporting the word of God and keep the windows of heaven open over your life so God can continue to pour out His blessings of provision and protection on your life. Now spread the word to go to our website Heartlandglobal.org then click on the Heartland Broadcasting Network and enjoy the program with Dr. Larry Stutzman and myself entitled "*Here we grow again part 1 and anointing part 1*". Thank you for helping

make this ministry a powerful tool to bless multitudes around the world "**Great is your reward**".

With sincere gratitude and appreciation
