

WORD OF THE LORD | APRIL 2010

Pastor John D'Alesio
Heartland Christian Center

Dear Friends,

Thus saith the Lord, to the preachers who have lead my people astray by encouraging them to endorse and vote for the wrong politicians, you teach against abortion says the Lord, but you put people in position who condole it, you preach against homosexuality and you endorse and support those who put their stamp of approval on it, you preach on my commandments but you allow it to be taken out of public places, you teach on prayer but you support those who take it out of school and you wonder what is wrong with your schools. You tell my people to trust me but you encourage them to trust mans government more. You tell them I will bless the works of their hands, but your actions teach them that man is their source. My written word which you call the Holy Bible is a book of conservative and capitalistic principles and yet you vote for and endorse those who encourage socialism. Then you wonder why bad things happen to good people. Thus saith the Lord those of you who have endorsed and encouraged the above, my advice to you is repent immediately and free yourself, begin to do the right thing immediately and free yourself from my raft that I will pour out in 2011. The shaking you have seen recently is simply a reminder that I am trying to get your attention. Stop trying to fill seats more then filling heaven. For those who will obey me saith the Lord and for those who have been doing the right thing concerning this saith the Lord I will promote you in the coming year, protect you from the coming judgment and honor and bless you in the midst of what will take place in 2011. I am getting ready to set some down and raise some up, I am preparing some to take them from the back and bring them to the front. I have been training, equipping, preparing those with a pure heart after me to come to the fore front and lead my people into their God given destiny. Take heed saith the Lord, let those who have ears to hear, hear what the spirit of the Lord saith to His church today.

I want to encourage you to forward this word and E-mail to whoever you can, I also want to encourage everyone you can to watch the program posted on our website <http://www.heartlandglobal.org> entitled "the word of the Lord 2010" on the Heartland Broadcasting Network. Those of you who know me, know I don't normally give strong words like this but Holy Spirit has instructed me to give everyone I can an opportunity to make these things right with him because the clock is ticking. Thanks for hearing the heart of God from my heart.

A special thank you for all who have already RSVP for the ministry buffet Saturday April 24Th 5pm Umatilla FL. If you have not yet RSVP and plan on coming please do so immediately as we are filling up fast. Thanks again.

His friend and yours
Pastor John
